Please attach a copy of the piste map showing the place of the incident together with any statements from any witness.

This is your account of what happened and is your document. If you wish to let the tour operator's Representative have a copy that is your prerogative. It may be helpful if he/she does have a copy for the record which would be sent to the MD of the tour operator concerned for their records.

Should the local police ask you for a statement we suggest you co-operate as much as possible and this statement may be helpful.

On return to UK please send a copy to MPI Brokers as notification of a possible claim.
