Notes

Appendix A

Please refer to Question 17 of the Proposal Form.

This insurance protects your company for Public Liability. Should you enter into a contract where your liability is extended in a lease agreement this policy may not respond.

The lease agreement may place liability on your company for damage to the property caused by your company or your guests.

You may wish to consider taking legal advice in this respect and we have arranged for two specialist lawyers to be available to customers or prospective customers of MPI Brokers at preferential rates. Their names are:

Stephen Mason Tel: 0113 258 0033
Travlaw
2 Bachelor Lane,
Horsforth
Leeds
LS18 5NA

Mark Lee Tel: 01483 411402
Penningtons Fax: 01483 411400
Highfield
Brighton Road
Godalming
Surrey, GU1 1NS

Please do ask what their fees are before asking them to undertake any work.

Please note:

1. If you wish to obtain insurance to protect your contractual liability, this may be possible.
2. Travel Insurance usually provides protection under the Personal Liability section for customers causing damage to property. This is one of the reasons that Tour Operators place in their booking conditions a requirement that customers have suitable travel insurance and that it should be at least equivalent to or no worse than the travel insurance provided by you (you should make sure your travel insurance cover this).
3. You should be aware that there are some travel insurance policies that do not cover damage to holiday accommodation.
4. Further advice on how to handle 2 and 3 above is available from MPI Brokers. We have introduced a website where tour operator clients can invite their customers to place information on the site about the insurance policy they hold.

Therefore you will be able to:-

1. know your customer is insured.
2. have immediate access to customer travel insurance information in the event of a major incident.

Appendix B

When selling excursions, lift passes etc. on transfer bus or in resort, you must make it clear you are doing so as an agent or the supplier and not as a principle. This should also be shown on any receipt or documentation and we suggest this is backed up as a clause in your booking conditions. The lawyers shown above may be able to assist with this.
